Re: Statement of Organization

Attached is a copy of our Statement of Organization for the Year 2,000.

The only funds we received in 1999 were used for our "Petition Drive," that was instituted to file a grievance(s) against the US Federal Judge under the provisions of the U. S. Bill of Rights. Your office advised us to keep and maintain a separate account, which we have done.

We don't anticipate any programs during the Year 2,000 although one can never predict with any degree of accuracy knowing government's propensity to raise taxes. Should an issue develop then we will file an appropriate form within the time frames allowed.

All records for TaxBusters and TaxBusters the Petition Drive are maintained at the address shown above.

After payment of our annual registration fee, we have a very small balance in the petition account that will be used to defray the costs of our Internet page.

Should you need any additional information; please let me know.

Sincerely,

  
Fred C. Dent, Jr.  
Spokesperson
